Suddenly, he transported
me into his
HOUSE OF WINE
he looked upon me with his
unrelenting love divine.

A collection of wine glasses filled with red wine and a glass of beer, with a bottle of beer in the background. The scene is set on a light-colored surface, possibly a table, with a soft, warm lighting. The glasses are arranged in a row, with the focus on the central ones. The background is slightly blurred, showing more glasses and a bottle of beer. The overall atmosphere is elegant and sophisticated.
